INSTRUCTIONS

First, place two layers of tear-away stabilizer in the hoop. Next, carefully position the measured fabric for the throw pillow on top of the stabilizer. To ensure it stays in place during sewing, apply a light mist of temporary fixing glue before proceeding.

INSTRUCTIONS

Turn on the machine. The machine will sew the fabric to the stabilizer.

INSTRUCTIONS

Lay a piece of another fabric over the fabric. We took the green colour of velvet.

Turn on the machine; the machine will embroider the outline of the ornament.
