VISIT [ROYAL-PRESENT.COM](https://royal-present.com)

INSTRUCTIONS

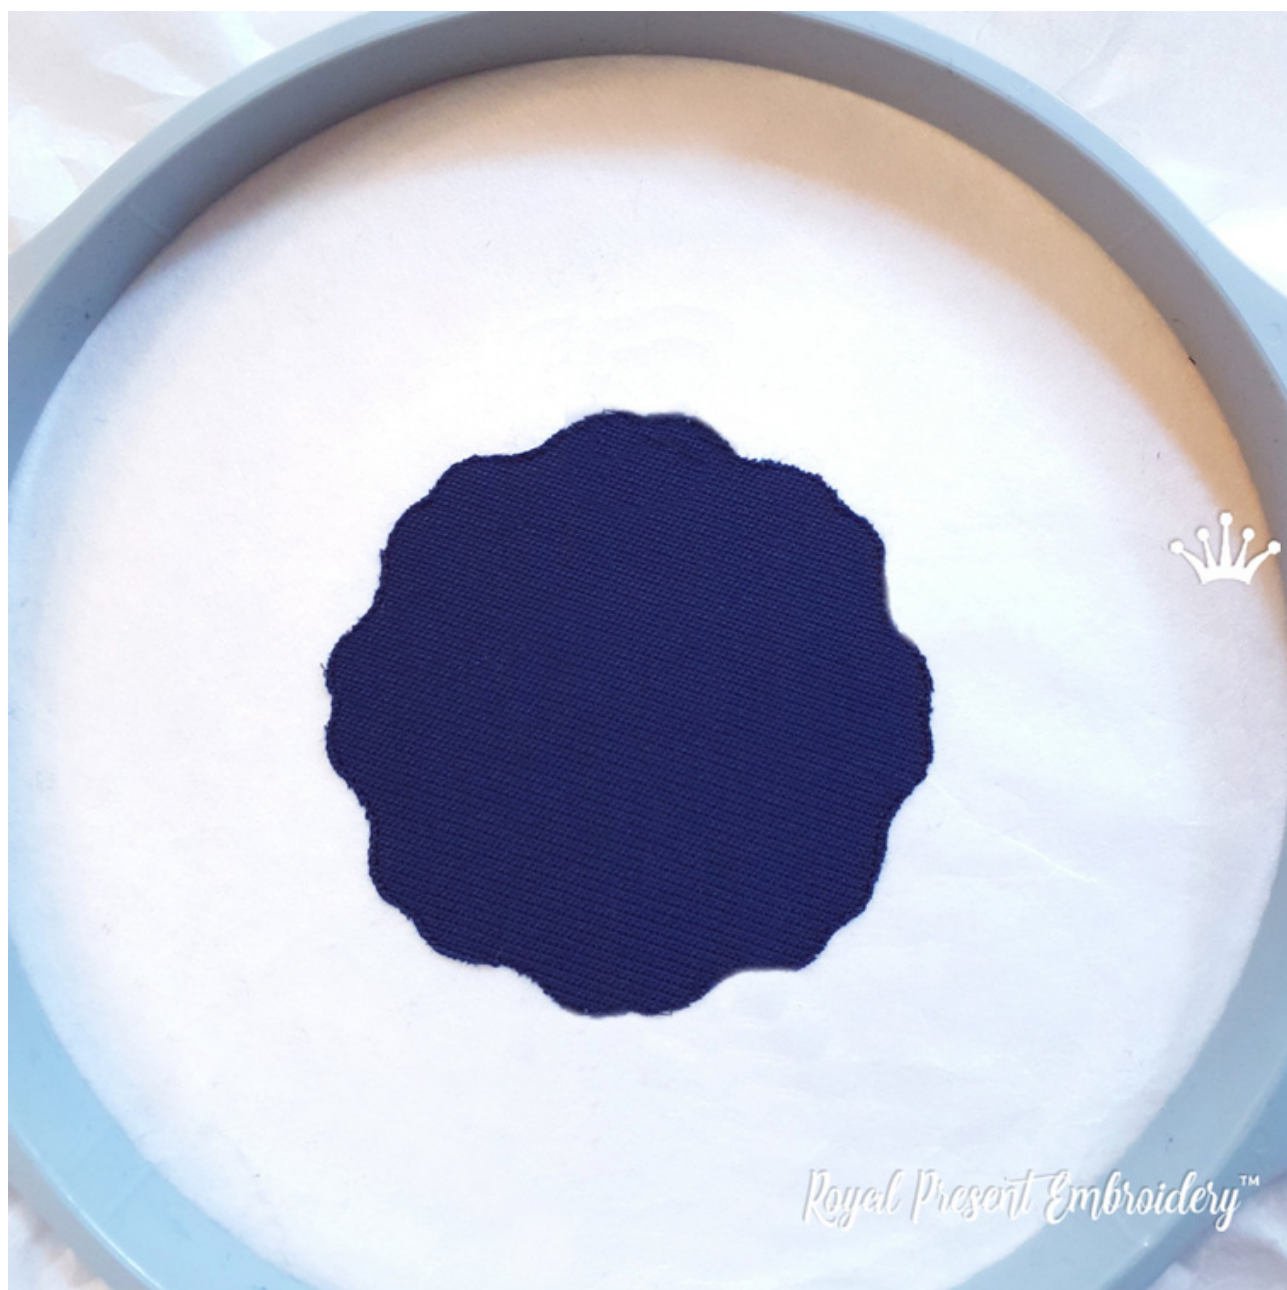

2. After the machine has been embroider outline, stop the machine.
3. Remove the hoop.
4. Use temporary adhesive. Spray it on the stabilizer. Lay a well-ironed fabric on top where the machine made the line.
5. Return the hoop to the machine. The machine will make another outline.
6. Remove the hoop from the machine. And cut the fabric close to the outline.
