

POINSETTIA TABLE PLACEMAT ITH MACHINE EMBROIDERY DESIGN - 4 SIZES

HOW TO CREATE, A STEP-BY-STEP PROCESS

[Visit royal-present.com](http://royal-present.com)

STAGE 1

1. Put the fabric and the stabilizer in the frame. The stabilizer should be in two layers.

STAGE 2

2. Embroider the design BEFORE you sew the outline stitch. Remove the hoop from the machine, and turn it inside out. Spray it with temporary fixing glue.

STAGE 3

3. Put the fabric on the back hoop side. Make sure that the entire surface is covered. This will be the back of the napkin. Put the hoop in the machine and embroider the outline.

STAGE 4

4. Remove the hoop from the embroidery machine. Cut the fabric close to the outline on both sides.
